2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The remuneration report sets out the company's remuneration arrangements for the Directors and senior management of the company. The remuneration report is part of the Directors' report contained in the annual financial report of the company for a financial year.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting. Shareholders should note that the vote on this Resolution is advisory only and does not bind the Company or the Directors.

2.2 Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another

general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Pursuant to the Corporations Act, if you appoint a member of the Key Management Personnel (other than the Chair) or any Closely Related Party as your proxy to vote on this Resolution 1, ***you must direct the proxy how they are to vote***. Where you do not direct such a person on how to vote on this Resolution 1, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to Resolution 1.

If you appoint the Chair as your proxy, and you do not direct the Chair on how to vote on this Resolution 1, then by signing and returning the proxy form you are giving express authorisation for the Chair to vote all undirected proxies **FOR Resolution 1** even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – EDMUND BABINGTON

Pursuant to rule 7.3 of the Company's Constitution and ASX Listing Rule 14.4, Mr Babington, being a Director of the Company, retires by way of rotation and, being eligible, offers himself for re-election as a Director of the Company.

Mr Babington was appointed a director of the Company on 1 July 2014 and re-elected as a director on 28 November 2016.

Mr Babington is a Director of WA commercial law firm, Lyons Babington Lawyers, and is a member of the resources and energy law association, AMPLA Ltd and is a WA committee member of the Australian Institute of Business Brokers. He is experienced in franchising, mining and resources, and corporations law in particular relating to capital raisings, stock exchange requirements, corporate governance and compliance.

Mr Babington is Non-Executive Chairman of the Company. The Board considers that Mr Babington is an independent Director.

The Directors (apart from Mr Babington) recommend that Shareholders vote in favour of the re-election of Mr Babington.

4. RESOLUTION 3 – RATIFICATION OF PRIOR PLACEMENT OF SHARES UNDER LISTING RULE 7.1A

4.1 Background

On 28 June 2019, the Company issued 16,293,200 Shares at a price of 5 cents each and 8,146,600 free Attaching Options to raise \$814,660 (**Placement**). The funds raised were to be used for the continued development of the Company's high purity alumina strategy, including operation of a pilot plant, ongoing project development at the Cadoux kaolin project, completion of a definitive feasibility study and working capital. The issue of the Shares was made under to the Company's placement capacity pursuant to Listing Rule 7.1A and the Attaching Options were issued under the Company's placement capacity pursuant to Listing Rule 7.1.

4.2 ASX Listing Rules

Resolution 3 seeks the ratification pursuant to Listing Rule 7.4 for the issue of 16,293,200 Shares within the Company's placement capacity under Listing Rule 7.1A.

Listing Rule 7.1 broadly provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.1A broadly provides that, subject to receipt of the approval of holders of ordinary securities by special resolution at a company's annual general meeting and to satisfaction of certain other conditions, the company may issue further equity securities up to an amount which represents 10% of the number of fully paid ordinary securities on issue 12 months before the date of issue.

Listing Rule 7.4 sets out an exception to these Listing Rules. Listing Rule 7.4 provides that where a company in general meeting ratifies a previous issue of securities made pursuant to Listing Rule 7.1A, and provided that the previous issue did not breach Listing Rule 7.1 or 7.1A, that issue will be deemed to have been made with shareholder approval for the purposes of Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1 and its additional 10% placement capacity under Listing Rule 7.1A.

4.3 Information required by Listing Rules

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (e) the use of the funds raised are set out section 4.1 above; and
- (f) a voting exclusion statement is included in the Notice.

5. RESOLUTION 4 – RATIFICATION OF PRIOR PLACEMENT OF ATTACHING OPTIONS UNDER LISTING RULE 7.1

5.1 General and Listing Rules

As set out in section 4.1 above, the Company issued 8,146,600 free Attaching Options in the Placement in June 2019. All of the Attaching Options were issued under the Company's placement capacity pursuant to Listing Rule 7.1.

Resolution 4 seeks the ratification pursuant to Listing Rule 7.4 for the issue of the 8,146,600 Attaching Options within the Company's placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.1 broadly provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than the amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. ASX Listing Rule 7.4 provides that where a company in general meeting ratifies a previous issue of securities made pursuant to ASX Listing Rule 7.1, and provided that the previous issue did not breach ASX Listing Rule 7.1, that issue will be deemed to have been made with shareholder approval for the purposes of ASX Listing Rule 7.1.

By ratifying the prior issue of 8,146,600 Attaching Options made on 28 June 2019, those Attaching Options will not count towards the Company's utilisation of the 15% annual placement capacity set out in ASX Listing Rule 7.1.

5.2 Information required by Listing Rules

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- c) the Attaching Options were issued to professional and sophisticated investor clients of Fosters Stockbroking and are not related parties of the Company;
- d) no funds were raised from the issue of the Attaching Options;
- e) a voting exclusion statement is included in the Notice.

6. RESOLUTION 5 – APPROVAL OF ADDITIONAL PLACEMENT CAPACITY

6.1 General

ASX Listing Rule 7.1 permits entities to issue 15% of its issued capital without shareholder approval in a 12 month period, subject to a number of exceptions.

ASX Listing Rule 7.1A permits eligible entities, which have obtained shareholder approval by special resolution, to issue Equity Securities up to an additional 10% of its issued capital by placements over a 12 month period after the annual general meeting ("Additional Placement Capacity").

The Company seeks Shareholder approval under this Resolution to be able to issue Equity Securities under the Additional Placement Capacity. The exact number of Equity Securities to be issued is not fixed and will be determined in accordance the formula prescribed in ASX Listing Rule 7.1A.2 (set out below).

6.2 Requirements of ASX Listing Rule 7.1A

(a) **Eligible entities**

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index.

(b) **Shareholder approval**

Shareholders must approve the Additional Placement Capacity by special resolution at the annual general meeting. A resolution under ASX Listing Rule 7.1A cannot be put at any other shareholder meeting.

(c) **Equity Securities**

Equity Securities issued under the Additional Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company has only one class of Equity Securities quoted on ASX being fully paid ordinary Shares. The Company also has unquoted options on issue.

(d) **Formula for calculating number of Equity Securities that may be issued under the Additional Placement Capacity**

If this Resolution is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A	The number of shares on issue 12 months before the date of issue or agreement: <ul style="list-style-type: none">• plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;• plus the number of partly paid shares that became fully paid in the 12 months;• plus the number of fully paid shares issued in the 12 months with the approval of shareholders under ASX Listing Rules 7.1 or 7.4;• less the number of fully paid shares cancelled in the 12 months.
D	10%
E	The number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(e) **Interaction between ASX Listing Rules 7.1 and 7.1A**

The Additional Placement Capacity under ASX Listing Rule 7.1A is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will be permitted to issue under ASX Listing Rule 7.1A will be calculated at the date of issue or agreement to issue the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out above).

The effect of this Resolution will be to allow the Company to issue securities under ASX Listing Rule 7.1A without using the Company's placement capacity under ASX Listing Rule 7.1.

6.3 Information for Shareholders as required by ASX Listing Rule 7.3A

(a) Minimum price

The issue price of the new Equity Securities will be no lower than 75% of the volume weighted average price (VWAP) for securities in the relevant quoted class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 trading days of the date above, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

If this Resolution is passed and the Company issues securities under the Additional Placement Facility, existing Shareholders' voting power in the Company will be diluted.

There is the risk that:

- the market price for the Company's existing Equity Securities may be significantly lower on the date of issue of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price of the Company's existing Equity Securities on the issue date or the new Equity Securities may be issued as part of the consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the new Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example a pro rata entitlement issue) or future placements under ASX Listing Rule 7.1 that are approved by Shareholders in the future;
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1A.2		Dilution		
		3.4 cents 50% decrease in Issue Price	6.8 cents Issue Price	13.6 cents 100% increase in Issue Price
Current Variable A 212,772,654 Shares	10% Voting Dilution	21,277,265 Shares	21,277,265 Shares	21,277,265 Shares
	Funds raised	\$723,427	\$1,446,854	\$2,893,708
50% increase in current Variable A 319,158,981 Shares	10% Voting Dilution	31,915,898 Shares	31,915,898 Shares	31,915,898 Shares
	Funds raised	\$1,085,141	\$2,170,281	\$4,340,562
100% increase in current Variable A 425,545,308 Shares	10% Voting Dilution	42,554,531 Shares	42,554,531 Shares	42,554,531 Shares
	Funds raised	\$1,446,854	\$2,893,708	\$5,787,416

This table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the Additional Placement Capacity.
- No options are exercised into Shares before the date of issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
- The issue of Equity Securities under the Additional Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The issue price is 6.8 cents, being the closing price of the Shares on ASX on 15 October 2019.
- The total number of Shares on issue at the date of the Notice is 212,772,654.

The Company's ability to issue securities under ASX Listing Rule 7.1A is in addition to its ability to issue securities under ASX Listing Rule 7.1.

(c) **Placement Period**

Shareholder approval of the Additional Placement Capacity under ASX Listing Rule 7.1A is valid from 29 November 2019 (the date of this Meeting) and expires on the earlier of:

- 29 November 2020, which is 12 months after this Meeting; or
- the date that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (significant change to nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking, (the "Placement Period").

The Company will only issue and allot new securities during the Placement Period. The approval will cease to be valid in the event that shareholders approve a transaction under ASX Listing Rules 11.1.2 or 11.2.

(d) **Purposes for which the new Equity Securities may be issued**

The Company may seek to issue new Equity Securities for the following purposes:

- cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated such acquisition), continued expenditure on the Company's then current exploration assets and for general working capital; or
- non-cash consideration for acquisition of new mineral exploration and/or mining assets and investments or for the payment of goods or services provided to the Company. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.

(e) **Allocation policy**

The Company's allocation policy for the issue of new Equity Securities under the Additional Placement Capacity will depend on the market conditions existing at the time of the proposed issue. The recipients will be determined at the relevant time having regard to factors such as:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of new securities on the control of the Company;
- the financial situation and solvency of the Company;
- advice from corporate, financial and broking advisers (as relevant).

As at the date of this Notice the recipients are not known but may include existing substantial Shareholders and/or new Shareholders. No recipient under the Additional Placement Capacity will be a related party or associate of a related party. Existing Shareholders may or may not be entitled to subscribe for any Equity Securities issued under the Additional Placement Capacity and it is possible that their shareholding will be diluted.

If the Additional Placement Capacity is used to acquire new assets or investments then it is likely that the recipients will be the vendors of the new assets.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A on the issue of any new securities.

7. RESOLUTION 6 – ADOPTION OF NEW CONSTITUTION

7.1 Background

This Resolution is a special resolution proposing to replace the Existing Constitution in its entirety.

Section 136 of the Corporations Act allows a company to adopt a new constitution by a special resolution passed at a general meeting of the company. A special resolution must be passed by at least 75% of the votes cast by Shareholders who are entitled to vote on the Resolution.

7.2 Reasons for the Resolution

The Existing Constitution was adopted by the Company in November 2011.

Since this time there have been a number of amendments to the Corporations Act, the Listing Rules and other applicable laws and rules which impact on the Company and for which provision has not adequately been made in the Existing Constitution. Additionally, the ASX is amending Listing Rule 15.12 (restricted securities) from 1 December 2019. The New Constitution includes the terms of the proposed new Listing Rule 15.12. Thereby, the Company intends to seek to adopt the New Constitution to both update for best practice reasons (best practice) and to include the terms of the proposed new Listing Rule 15.12 (ASX modified escrow regime). Each of these reasons are expanded upon below.

Best Practice

The Company has conducted a review of the Existing Constitution with a view to making it consistent with current law and best market practice. The changes to be introduced affects numerous provisions in the Existing Constitution and therefore it is proposed that the New Constitution be adopted rather than amending the Existing Constitution.

The New Constitution reflects a public company constitution and is drafted in a modern, clear style. It is further appropriate for a company listed on ASX.

The New Constitution updates the definitions used to reflect the current terminology and where possible relies upon terms defined in the Corporations Act, the Listing Rules and ASX Settlement Operating Rules.

The New Constitution further includes provisions on proportional takeover bids. Separate information on the proportional takeover provisions and approval in this regard is set out below.

It is not practicable to list all of the changes to the Existing Constitution in this Explanatory Statement and Shareholders are invited to contact the Company if they have any queries or concerns. For this purpose, a copy of the New Constitution is available for review by Shareholders at the office of the Company. A copy will be available for inspection at the Meeting. Adoption of the New Constitution will provide consistency between the Company's constitution and the Listing Rules and the Corporations Act.

ASX modified escrow regime

In accordance with ASX's Public Consultation Paper of 28 November 2018 titled "*Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules*", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX proposed was to amend the Listing Rules to give effect to a modified escrow regime to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime is to come into effect from 1 December 2019. A two-tiered escrow regime is to be introduced.

The first tier of escrow will involve ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier will apply where ASX will instead allow listed entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime is to replace the current requirement where all holders of restricted securities must enter into a formal escrow agreement.

In order to provide a constitutional underpinning for ASX's modified escrow regime, the ASX is amending Listing Rule 15.12 (restricted securities) from 1 December 2019.

The new Listing Rule 15.12 requires the constitution of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

Rule 2.11 of the New Constitution reflects the new Listing Rule 15.12 and is in the following terms:

"2.11 Restricted Securities

- (a) *The Company must comply with the Listing Rules in respect of Restricted Securities.*
- (b) *Notwithstanding the generality of Rule 2.11(a):*
- (i) *a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
 - (ii) *if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a Holding Lock applied for the duration of the escrow period applicable to those securities;*
 - (iii) *the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
 - (iv) *a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
 - (v) *if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

The new proposed rule provides the constitutional underpinning for ASX's modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new rule) are proposed to take effect from 1 December 2019 and will apply to restricted securities after that date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of Listing Rule 15.12 in force immediately prior to this date.

7.3 Adoption of proportional takeover provisions

A proportional takeover bid is where the bidder offers to buy a proportion only of each shareholder's shares in the Company. This means that control of the Company may pass without members having the chance to sell all their shares to the bidder.

The law regarding takeovers allows companies to amend their constitutions to prohibit the registration of a transfer of shares resulting from an offer made under a proportional takeover bid, unless shareholders in a general meeting approve the bid.

The New Constitution (as with the Existing Constitution) contains proportional takeover provisions.

Section 648G of the Corporations Act requires certain information to be included in the notice of meeting where the approval of members is sought to adopt proportional takeover provisions. The Company is seeking member approval to adopt proportional takeover provisions for the statutory period of 3 years after the date of approval. Information in relation to this approval is set out below.

Effect of the proposed provisions

The effect of the proposed provisions is that where offers have been made under an off market bid in respect of shares included in a class of shares in the Company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under the off market bid is prohibited unless and until a resolution to approve an off market bid is passed by Shareholders.

If a proportional takeover bid is made, the Directors must ensure that Shareholders vote on a resolution to approve the bid more than 14 days before the bid period closes.

The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote, but the bidder and its associates are not allowed to vote. If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's New Constitution.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for 3 years after the date of approval (for this Resolution, being 3 years from the date of this Meeting). The provisions may be renewed, but only by further Shareholder resolution.

Reasons for proportional takeover provisions

The Directors consider that proportional takeover approval provisions should be included in the New Constitution. Without the inclusion of such a provision, a proportional takeover bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Shares to the bidder. Accordingly, Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The proposed provisions deal with this possibility by providing that if a proportional takeover bid is made for Shares in the Company, Shareholders must vote on whether or not a proportional takeover bid should be permitted to proceed.

The benefit of the provision is that Shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

No knowledge of any acquisition proposals

As at the date on this Notice the Directors are not aware of any proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages for Shareholders include the following:

- (a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) they may assist Shareholders from being locked in as a minority;
- (c) they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages for Shareholders including the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

The Board of Directors considers that the potential advantages for Shareholders of adopting the proportional takeover approval provisions outweigh the potential disadvantages of not adopting the provisions.

7.4 Board recommendation

The Directors consider that the proposed proportional takeover provisions are in the interests of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.
